Hands On

Experience

Segue Partners Internship Program

Interns will assist with various client projects throughout the duration of their internship, with an opportunity to work over Winter/Summer breaks. The experience is designed to provide a well-rounded and practical hands-on educational experience for the student. Segue Partners seeks energetic, highly-motivated candidates who are capable of managing multiple responsibilities in a fast-paced, dynamic environment. You will gain hands on experience within the accounting industry focused on private equity and portfolio companies, as well as support Segue's daily operations, and work directly with QuickBooks.

Upon completion of a positive review at the end of the first semester, candidates can apply to extend their internship for a second semester. The weekly time commitment is a minimum 8-10 hours/week during the semester and negotiable over Winter/Summer break.

MAJORS

Working toward a Bachelor's degree in Accounting with an overall GPA of 3.25 or higher. This internship is best suited for a second semester Junior or Senior who has completed accounting and finance coursework and who has not yet identified full-time post graduation employment. Internships have the potential to become a full-time position upon degree completion.

EXPERIENCE

To perform this internship successfully, you must have intermediate knowledge of Microsoft Word, Excel, PowerPoint, Outlook, and Internet navigation and research. QuickBooks experience is a plus.
